

Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 17 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:

A cloudy night with drizzle and light rain.

This Evening and Tonight:

A largely cloudy evening across the region with some occasional light rain and drizzle still possible throughout the night, particularly in more western areas. Winds ease with temperatures holding up. Minimum temperature 14 deg C (57 deg F).

Wednesday:

Light rain showers and drizzle continue through the morning before clearing towards midday, leaving a largely dry and somewhat brighter afternoon. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:

Occasional rain or showers, perhaps heavy at times, on Thursday. Mostly dry on Friday before turning much more unsettled into the weekend.
